

SIMPLICIAL ALGORITHM TO COMPUTE THE DEGREE OF A MAP

MARIE-CAMILLE DELARUE

CONTENTS

1. Introduction	1
2. Degree of a map between spheres	1

1. INTRODUCTION

This is a quick note on how to compute the degree of a map using simplicial methods.

2. DEGREE OF A MAP BETWEEN SPHERES

The notion of degree we defined in the file tree-problem is closely related to the notion of degree of maps between spheres.
